

## CHINESE – (Joan Reese) Colonial Secretary Index of “Convicts and Others” 1826-1894

### Transcriber’s Notes on this index

If a number appears in parentheses after a name e.g. (1) or (4) etc. this indicates that this person appears in the same letter as all the other people with that same number after it. The series of numbers starts again with each date period.

If an \* appears after a name it indicates a female is mentioned in the records.

The index is divided by particular date ranges so the index may need to be browsed if looking for particular names.
